

AIS Soccer Academy

Dear Parents,

It's with great pleasure that I announce the registration of term 2 for AIS Soccer Academy which will be held on Saturdays, Sundays, Tuesdays, Wednesdays and Thursdays after school for AIS students. I have a UEFA B license in coaching football from the Football Association of England.

This new 10 weeks structured training program will run in blocks of **two** sessions per week in addition to SAQ Sessions, break time and after school organized games with other schools and clubs in the region.

All these sessions are provided in a safe, fun and encouraging environment which covers all aspects of the games incorporating tactic part, skill part and small sided games from the top clubs in the world including Chelsea FC, Valencia, Ajax, Boca Juniors, Flamengo, Internazionale, River Plate, Santos, Sporting Lisbon where I utilize the video sessions and then put them together to form a program to suit our students abilities and levels in addition to my work with the Lee Mitchell the coach of the U18 USA national team and Stephen Lister the FA tutor and coach at the English Football Association in England.

Each registered player on the **Saturday's** program will receive a Free AIS Soccer Academy playing kit. Students that don't register on Saturdays can purchase the uniform for 80DHS.

Important Information

The sessions are selected by age groups. However as players develop differently, some players may be advised to play in different groups to suit their abilities. Please be aware of the following notes:

- ❖ I am opened to adapt the schedule (add more sessions) depending on the enrolment numbers.
- ❖ The minimum number of players to run the session is 6 players.
- ❖ If you register your child on Saturdays you get a free session during the week on Sunday, Monday Tuesday Wednesday or Thursday depending on the age groups of your child.

Wednesday free game day for AIS Soccer Academy players only

This is a new event and it will be pure football. No coaching just matches. Each player will be put in a team and they will represent that team in a series of matches against his AIS soccer Academy pals. Scores will be kept and a league table which will be produced. This will add extra spice to what is already a fun filled session.

Each couple of weeks the player will change teams and will have the opportunity play different schools or teams that are in the region.

The time for this session from 2:50pm until 3:50pm.
